Soil Investigation & Soil Resistivity Works

Ref : Your quotation ref 2015/ODST/101/713/R/1305 dated 04.06.2015

Dear Sir,

With reference to your offer and subsequent discussions we had with you on the subject matter, we are pleased to award you the work order for the **Soil Investigation Works** according to the scope given below and subjected to the terms and conditions detailed hereunder:

1. Scope of Work

The Scope of Work shall include the following:

- i. Soil investigation of each tower location marked by GJI/JSL Surveyor
- ii. Soil Resistivity Testing of all Tower Locations
- iii. Laboratory testing of soil, rock and groundwater samples if encountered
- iv. Preparation of Soil Investigation and Soil Resistivity Reports for Submission and Approval of Client and Consultants
- v. Supply of necessary tools and equipment's required for the soil investigation and soil resistivity test
- vi. Supply of competent personnel on site for execution of the above mentioned activity including HSE Officer and HSE Stewards
- vii. Making sure that the HSE Policy and requirement of Client and Consultant is being followed strictly
- viii. All works shall be according the approved Method statement which shall be provided prior to the start of activity
- ix. Any other related requirement for the successful completion of the works mentioned above
- x. The specific scope and area of the work shall be confirmed on separate communication.

2. Terms and Conditions

2.1 Specification of Work

The work shall be carried out to full satisfaction of GJI representative, authorized/engaged for supervising the work. The works shall also be inspected the contractors client and consultants and

Gulf Jyoti International LLC

Flat No: 11, Building No: 360, Block Number: 321, Mawaleh South, Muscat,
Sultanate of Oman, Phone: +968 - 98865359

Website: www.gulfjyoti.com Email: contact@gulfjyoti.com

shall comply with all the requirements as directed by them at all times. The work shall be in complete compliance to the technical specification.

2.2 Approval from Consultant

You have to submit your company profile including the method statement and required HSE requirement as per Oman Rules and Regulations for the subject works. The same shall be reviewed and approved by our client/consultant, only then the works can commence.

2.3 Quantity

The quantity shall be as per the intimation by GJI.

2.4 Price

The price of the work shall be as indicated in Annexure-I of this work order. The prices shall remain throughout this contract and shall not be subject to fluctuation due to variation in cost of materials, labour or state of central legislation, or any other reason whatever. Unit prices are deemed to include cost of all preparatory, related and ancillary works for each item.

In case of extra item of work is required to be performed not included in the original scope of works, the rate for the same shall be negotiated before the execution of such work. Any taxes applicable in this work will be deemed to be included in your unit cost and no additional cost will be borne by us on account of this.

All payments shall be as per the actual quantity completed verified by GJI Authorized representatives.

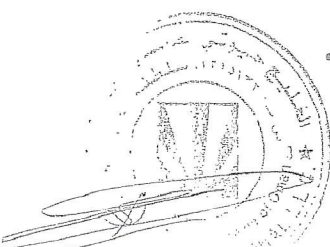

2.5 Place of Work/Coordination

You shall execute the work as instructed by GJI authorized representatives. A detailed report shall be provided to our site engineer on daily basis.

2.6 Quality of Work

i. HSE Requirements

- All HSE requirements must be fulfilled in accordance to GJI-JSL HSE policy and OETC Safety procedures for the contractors.
- The Approved HSE Plan of GJI/JSL shall be strictly followed. The copy of the same can be collected in our office.
- The contractor must be responsible for government safety and sanitary laws, regulations and ordinance such as Ministerial Decision number 286/2008
- All required PPE for the task must be worn during the activity
- First aid box and emergency rescue kit must be available at site.
- Workforce details to be submitted to GJI-JSL HSE department and induction training must be completed before commencing the job
- All incidents, accidents, near misses must be reported to GJI-JSL HSE department immediately.
- GJI-JSL HSE department has the right to stop the activity any time in case of HSE violation happens

2.7 Tools and Plants

All required equipment, machinery and vehicles required for the work shall be arranged by you at your cost. You shall be responsible for sorting of all these tools, equipment etc. At the work site and these should be freely accessible to GJIL authorized representative for inspection as regards its proper functioning. If any tools, equipment, machinery and vehicle are supplied by GJIL for temporary use at this project, the necessary hire charges as mutually agreed shall be recovered from your bills. All tools and equipment's shall have the valid third party certificates which shall be always available at site. No idling charges shall be entertained unless otherwise agreed by both parties.

2.8 Employment of Labour

You shall arrange and pay for all & any categories of workmen required for carrying out this work including watchmen required at the site to safeguard all materials, tools etc. Kept at site for safeguarding partly and wholly finished works.

You shall strictly abide by all applicable statutory labour laws in Oman for such works.

2.9 Progress of Work

The Progress of work shall be as per the requirement of the client. The required number of machine shall be mobilized to achieve the required progress output as per the construction program of GJI and as per advice by GJI authorized representatives. Detailed progress report shall be submitted to GJI with photographs on daily basis.

2.10 Completion Period

You are required to deliver and complete the scope of works mentioned herein as per the approved schedule provided by client consultant. The same shall be provided to you separately.

Upon completion of the work allotted, GJI shall have the right provide additional scope of works as defined under clause no 1 without any change in the price mentioned in this work order based your performance shown in the site which shall be recommended by GJI Authorized Representative.

2.11 Taking over of Works

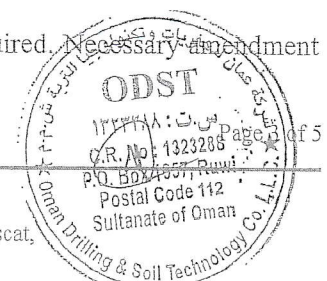

In case it is found the work assigned is not progressing as per our requirement, GJIL has full authority to take over the work from you and execute it departmentally or through other agencies, as deemed fit. GJIL reserves the right to consider such arrangement at your risk and cost. All remaining work shall be executed at your risk and cost.

2.12 Payment

- i. 100% of the work completed shall be paid after 30 days from the presentation of Payment Certificate with signed Joint Measurement Certificate signed by Subcontractor, GJI Site Engineer and Construction Manager and verified Invoice of the completed works inspected by GJI Authorized Representative and Acceptance/Approval of the submitted report from our client/consultant.

2.13 Taxes

Prevailing Taxes in Oman will be applicable for this work order, if required. Necessary amendment will be issued later for the same.

2.14 Disputes

All legal disputes arising out of or in any way connected with this contract shall be deemed to have been raised in Muscat and only the court of Muscat shall have the jurisdiction to settle the same.

2.15 General Terms and Conditions

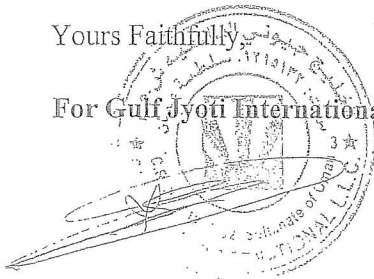

This Work Order is being issued to you in duplicate. We request you to return the duplicate copy duly signed and stamped on each page within 3 days from the date of this Work order as an unconditional acceptance of the same by you.

We thank you for the interest shown by you for this work and look forward to receive your continued co-operation

Thanking you,

Yours Faithfully

For Gulf Jyoti International L.L.C.

Subject: BSA Fee Proposal

Dear Mr. Ashraf and Mr. Suresh

We would be delighted to assist you with our legal advisory services regarding the discussed commercial litigation case before the Primary Court in Seeb.

For purposes of this exercise, we would like to suggest a flat fee amount of OMR 1,500 (Omani Rial One Thousand Five Hundred) for the legal representation at the Primary Court level, exclusive of any and all costs of suit.

Please note, that our professional fees in all litigation matters shall be paid subject to the following arrangements:

- i. 50% of the applicable professional fee shall be paid by the company upon execution of the BSA Terms of Engagement; and
- ii. the outstanding balance of 50% of the applicable professional fee shall be paid by the company upon issuance of a final judgment by the Court or upon reaching an amicable settlement at any stage of the dispute, including without limitation the negotiations stage or the opponent's surrender to BSA's legal notice).

If a litigation matter is handled by BSA on behalf of the company at the Court of Appeal or, subsequently, the Supreme Court our fees at each level would amount to 50% of the fees payable to BSA at the Primary Court level.

The above-mentioned fees shall include a legal notice that is to be sent to the Company prior to the recovery of the pending invoice.

Again, thank you for considering us, and we look forward to the opportunity to work with you and your team.

We look forward for your confirmation in order to proceed.

With kindest regards,

Nasser AlRiyami
Associate
